

## **Tongues & Interpretation**

**2/19/19 5:30pm**

“I command you to go out and start manifesting that you are the sons of God.

Set the people free, command sickness and disease to go and it must go.

Command arms and legs to function.

Command body parts to be there that are missing.

Command what should be to be. No holding back.

Manifest the truth and walk in it.”

Father told me that this wasn't just for me. Many of you know that we will soon be moving into our new locations of Happy Healing Home where we will be setting people free from what holds them in bondage with many staying for a month. Some will come for just the training. No matter which we will be setting people free and giving people intense training how to live the Dominion Life which includes the above and so much more.

If you are interested in coming to get training contact us; anyone is welcomed.
