

Are You the City on a Hill?

video

City on a hill song speaks a little about what God's intention was with us living here instead of with Him. We are supposed to be like the city on the hill but we're not we failed to be the city on the hill and God's heart is crying out at what we've become. The church that is supposed to be the body of Christ; fight, they judge, they think that they're better than others, that what the other person is doing is not good enough; instead of seeing the positive they pick out all the negative and pick, pick, pick, pick or peck, peck, peck; like a woodpecker boring a hole in a tree. We need to be the city on our knees and repent in sackcloth and ashes because we're not like what God intended us to be. We're not the children of God seeking to save the loss, we're not going about healing all that are pressed of the devil or turning people from darkness to light from the power of sight to the power of living God. Instead, the churches have turned into the church of the Pharisees, Sadducees and scribes poking their finger at everybody. REPENT! Be the church because the day of the Lord is at hand.

City on a Hill Casting Crowns

Did you hear of the city on the hill?
Said one old man to the other
It once shined bright and it would be shining still
But they all started turning on each other

You see, the poets thought the dancers were shallow
And the soldiers thought the poets were weak
And the elders saw the young ones as foolish
And the rich man never heard the poor man speak

And one by one, they ran away
With their made up minds, to leave it all behind
And the light began to fade, in the city on the hill
The city on the hill

Each one thought that they knew better
That they were different by design
Instead of standing strong together
They let their differences divide

And one by one, they ran away
With their made up minds, to leave it all behind
And the light began to fade, in the city on the hill
The city on the hill

And the world is searching still

But it was the rhythm of the dancers
That gave the poets life
It was the spirit of the poets
That gave the soldiers strength to fight
It was the fire of the young ones
It was the wisdom of the old
It was the story of the poor man
That needed to be told

It is the rhythm of the dancers
That gives the poets life
It is the spirit of the poets
That gives the soldiers strength to fight
It is the fire of the young ones
It is the wisdom of the old
It is the story of the poor man
That's needing to be told

One by one, we'll be running away
With our made up minds to leave it all behind
As the light begins to fade, in the city on the hill
The city on the hill

One by one, we'll be running away
With our made up minds, to leave it all behind
As the light begins to fade, in the city on the hill
The city on the hill

Come home
And the Father's calling still
Come home
To the city on the hill
Come home

City on Our Knees Toby Mac

If ya gotta start somewhere, why not here?
If ya gotta start sometime, why not now? (Now)
If we gotta start somewhere, I say here
If we gotta start sometime, I say now

Through the fog, there is hope in the distance
From cathedrals to third world missions
Love will fall to the earth like a crashing wave

Tonight's the night for the sinners and the saints
Two worlds collide in the beautiful display
It's all up tonight when we step across the line
We can sail across the sea to a city with one King
A city on our knees
A city on our knees

If you gotta start somewhere, why not here? (Why not here?)
If you gotta start sometime, why not now? (Now)
If we gotta start somewhere, I say here (I say, I say here)
If we gotta start sometime, I say now (I say now)

Through the fog, there is hope in the distance
From (starts) cathedrals to third world missions
Love will fall to the earth like a crashing wave

Tonight's the night for the sinners and the saints
Two worlds collide in the beautiful display
It's all up tonight when we step across the line
We can sail across the sea to a city with one King
A city on our knees
A city on our knees

Tonight could last forever
We are one choice from together
Tonight could last forever (ever, ever, ever, ever)
Oh, tonight could last forever
We are one choice from together, family (family)
We're family (family)
Oh, tonight could last forever
We are one choice from together, You and me
Yeah, you and me (you and me)

Tonight's the night for the sinners and the saints
Two worlds collide in the glorious display
'Cause it's all up tonight when we step across the line
We can sail across the sea to a city with one King
A city on our knees (tonight could last forever
We are one choice from together)
A city on our knees (tonight could last forever, ever, ever)
A city on our knees (tonight could last forever
We are one choice from together)
A city on our knees (tonight could last forever, last forever)

If we gotta start somewhere, why not here? (Somewhere, why not here?
Somewhere, why not here?)
If we gotta start sometime, why not now? (Sometime, why not now? Why not
now?)
