

Good Steward of A Legacy

God's Word tells us that children are a heritage or legacy from the Lord. "Lo, children are an heritage of the LORD: and the fruit of the womb is his reward. As arrows are in the hand of a mighty man; so are children of the youth. Happy is the man that hath his quiver full of them: they shall not be ashamed, but they shall speak with the enemies in the gate. Psalms 127:3-5

We need to be good stewards of this legacy from God. God's Word tells us that we will have to give an account for these souls we are watching over. Hebrews 13:17

For many of us we have no idea where to start or how to start to train our child(ren) in the way they should go. Many of us may feel that the example we have to go on is not a Godly example, our parents got it all wrong, or I didn't get any training from my parents.

God's Word tells us to train up a child in the way they should go and when they are old they will not depart from it. The problem is in the training and what kind of training our children are getting. Good intentions don't matter much on the Day of Judgment.

God's Word says a lot about how to raise our children and how to save their souls from Hell.
